WHY WE NEED YOUR HELP

GOAL **\$7** MILLION

Iconic building that shows importance of the arts in our community.

Expanded visual arts programming for adults & children.

Larger classrooms that are WIFI & AV enabled.

Space for additional classes, meetings & events.

To maintain an environment conducive to learning and positive interaction, to strengthen our community, and to ensure the safety of our students, members, volunteers, staff and visitors, we must build a new facility to include significant upgrades to systems including plumbing, electricity, audio visual systems, gallery and classroom lighting. Your help will allow ArtCenter Manatee to expand so we can provide more opportunities and better services to the people we serve.

WHAT WE DO

ArtCenter Manatee strives to nurture children 4-15 and adults of all ages by providing a wide range of visual arts programming that includes over 440 classes a year and monthly exhibits that feature local, national and international talent. Our programs, services and positive role models help members and guests grow, connect and contribute to the community at large. Relationships formed at the ArtCenter last a lifetime, helping to make the area a better place to live, raise a family, work and enjoy life's journey.

COMMUNITY WE SERVE

ArtCenter Manatee is a vibrant hub of visual arts programming and exhibits for children and adults. Our facilities and programs are available to everyone. Students, members and visitors come from 49 states, Canada and Europe. We serve over 30,000 people annually. Originally built as a visual arts center with one gallery and one classroom in 1952, the ArtCenter has today evolved into a valued community asset for everyone in our diverse, multigenerational community. To continue our rich tradition, we must expand our facility and its systems.
