

The Wonderful World of Scratchboard

Supply List

#11 Xacto knife, extra blades, a 6H pencil, these items can be purchased at Michaels, Hobby Lobby, Art and Frames Sarasota or any quality Art Supply Store. 5x7 Ampersand Scratchboard, this Item can be purchased at Art and Frames Sarasota, or online from Dick Blick and Jerry's Artaramma.

Students will bring in two 5x7 black and white reference photo of a subject that they would like to work on, it is important for the copy to be on copy paper not a heavy card stock or photo paper, this is so that the image can be transfered. If you do not have a reference photo to work from, a photo will be available for you to work from .

** **NOTE:** Staples and Office Depot will most likely refuse to make the copies for you especially if the subjects oar of a celebrity, from a book or magazine. I woule recommend to find a print shop such as CR Graphics in Port Charlotte, Hartmanns Printing and Short Stop Printing in Englewood.*
